The Badgy solution

An all-in-one offering:

- a printer for plastic cards
- a design software to personalize your badges and cards
- a color ribbon and 100 blank plastic cards
- a library of card templates to be downloaded, free of charge, from www.badgy.com.

Ease-of-use:

Badgy operates just like any other standard desktop printer. Simple to install, simple to use!

Instant printing:

You can personalize your own badges in a few seconds, and you can print them immediately, singly or in a run.

Affordable:

Low cost per printed card, even for small quantities. You print on-demand, according to your needs.

1, 2, 3... it's printed!

1

Select your card template and download it.

2

Personalize it by adding your logo, background and texts.

3

Print your card... in less than a minute.

One solution, many applications:
